

Lesson Plan Details

Class	Unit/s	Essential Standards	Learning Targets
Ind. Design	Tools (Multiview Drawing)	<p>C.12.4 Use advanced design techniques to improve and/or change artwork</p> <p>E.12.1 Communicate ideas by producing sophisticated studio art forms, such as drawings, paintings, prints, sculpture, jewelry, fibers, and ceramics.</p> <p>H.12.4 Create two-dimensional plans to make three-dimensional models.</p>	<p>*Students will work exclusively with a straight edge or ruler.</p> <p>*Students will learn how to read basic blueprints</p> <p>*Students will learn how to transfer needed information to the appropriate Multiview location.</p> <p>*Students are introduced to isometric drawings/forms</p>
Art I.	Fine Motor (Self Portrait Value Study)	<p>C.12.1 Use the elements and principles of design in sophisticated ways.</p> <p>C.12.4 Use advanced design techniques to improve and/or change artwork.</p> <p>C.12.7 Apply advanced craft and skills to consistently produce quality art</p>	<p>*Students will learn about value and contrast as effective principles for quality art production.</p> <p>*Students will learn about color schemes.</p> <p>*Students will learn that colors have value in terms of black and white.</p> <p>*Students will remove parts/pieces of material and attach using advanced tools.</p>
Art 8	Up Close	<p>A.8.3 Know about styles of art from their own and other parts of the world.</p> <p>C.8.1 Know the elements and principles of design.</p> <p>C.8.2 Understand what makes quality design.</p>	<p>*Students will learn about artist Chuck Close.</p> <p>*Students will effectively use color to represent specific information.</p> <p>*Students will use pattern as an effective principle when creating their project.</p>
6 th Grade	Creative Color Wheel	<p>C.8.7 Understand the natural characteristics of materials and their possibilities and limitations.</p> <p>J.8.2 Understand how the choice of materials and techniques influences the expressive quality of art.</p> <p>L.8.1 Use their knowledge, intuition, and experiences to develop ideas for artwork</p>	<p>*Students will place color in correct location within the color wheel.</p> <p>*Students will experience hands on use of ratios when mixing paint.</p> <p>*Students will create reference tool for future use on projects with color and paint (color wheel).</p>
